

Cyber Awareness Class

Cyber Crime is an evil having its origin in the growing dependence on computers in modern life. Cyber Crime continues to impact all categories of people. This includes cyber defamation, cyber terrorism, damage and destruction of data, stolen money, and loss of productivity, theft of intellectual property, theft of personal and financial data, embezzlement, fraud, post-attack business disruption, forensic investigation, restoration and deletion of hacked data and systems, and reputational harm. Alappuzha Cyber Cell conducting Cyber awareness classes to school/ College students, Residence Associations etc.
